Hi Maria,

Thank you for the heads up. My understanding is that it will be in Council next Wednesday and we can let it go on the consent calendar.

Sincerely,

Whitney

Hi Whitney,

Hope you are doing well!

Just wanted to keep you in the loop regarding the next steps with the DA Amendment approval process.

We spoke with Michael Espinosa at PLUM who relayed the PLUM report will go to Council next week most likely on consent. It will then be cleared for form and legality by the City Attorney before returning as an ordinance for ratification by PLUM and the City Council. This is apparently the change in procedure which planning staff had alerted us to a while back. We have already reached out to Laura Cadogan to provide her with the approved DA even though it's not technically in her hands yet.

I guess we will find out whether we will be in Council next week based on this Friday's release of the agenda. I want to make sure we are on the same page with your office so that the matter can be approved without issue at Council and PLUM. Do you know if the Councilman is in town next week? We would like for him to guide the approval process.

Thanks for your efforts!

Maria
